# The Lifted Ventures 2025-2027 Manifesto

**Unlocking women's wealth, leadership and economic influence across the UK regions**

## ***Our Vision:***

We envision a future where women across every UK region lead with innovation, powered by capital and collaboration. Together, we're reshaping communities, economies and generations.

## ***Our Five Commitments:***

### **1. Backing 30 regional female founders:**

- Invest in 30 women-led businesses outside London.
- Provide capital + hands-on support to scale bold ideas.
- Fuel momentum where female founders are underfunded.
- Being a leading player in a female focussed co-investment fund.

### **2. Activating 75 new women investors:**

- Equip 75 women to become angel investors.
- Lower barriers with low ticket sizes & SEIS/EIS education.
- Normalise angel investing as a wealth-building strategy.

### **3. Creating a community of 500 women in VC & co-investment:**

- Expand our database to 500 diverse women in VC.
- Leverage the 28x co-investment multiplier effect, recognising and capitalising on the proven advantages of investing in female-led teams.
- Make women investors more visible, connected and powerful.

Elevating female founders

## 4. Educating 500 female founders

- Train 500 founders to be investment-ready.
- Build financial mastery, confidence and investor literacy.
- Equip women to pitch for high-growth rounds and scale with resilience.

## 5. Uniting 1,000 people at investment events

- Host Athena Festival, Athena VC and Lifted Women Angels Conference.
- Bring together 1,000 investors and founders.
- Spark regional investment magic, where deals and partnerships begin.

### *Our Pledge:*

- To invest with transparency, insight and intentionality.
- To educate women founders to become savvy, investable leaders.
- To catalyse lasting wealth, equity and economic participation across UK regions.
- To transform talk into action, investors into catalysts and founders into legacies.
